*Parabens ! Bravo! What a voice and what a quality. Most truly you are the Voice artist, with a capital. Your deep, bit rusty voice beautiful complements with the content of the story. Narrated in a moderate, thoughtful tempo adding just at same points an extra shift of emotions... The flavor of your voice is heartfelt, welcoming, reassuring...*

Apps Reinvented Ltd (Jonathan Bygrave), UK

*Really outstanding voice actor. Did multiple samples to get it right at the start then delivered an excellent set of recordings. Highly recommended.*

Choosevoices.com (Joaquín Escriña), Spain

*Como director de Choosevoices.com, me gustaría decir sobre Jorge que es un profesional integro y muy concienciado de lo que significa trabajar para un banco de voces internacional. Recientemente fue elegido en un proyecto en el que el tiempo era una de las claves , lo solicitaron el 31 de diciembre para el 2 de enero. Tenía mis dudas , pero Jorge como otras voces del proyecto en portugués se puso en marcha inmediatamente consiguiendo que cumpliéramos los plazo acordados . Tengo que decir que con profesionales como él da gusto trabajar. Muchas gracias Jorge , espero que este 2017 no reina muchas veces.*
