

"Hi Kim! I just wanted to pass along the feedback that I got from the client... As always, I GREATLY appreciate your hard work and speedy Gonzales response time. Thank you so much for re-recording. Kim was great! I really think she did a wonderful job capturing the tone, the phrasing and the pacing. Ann

Tilton, Enterprise Executive, Enterprise Services Group, SmartReply"

"Kim was great to work with. She was eager to understand the project and how her contribution to it would contribute to its success. Her readings were great the first time and had a high level of consistency. Very professional. I highly recommend Kim" Bill McLure

"Kim is a real professional - fast turn-around, flexible and works within our budget constraints. A real voice over talent, Kim provides varying styles and is often the first choice of my clients!" Rob Decker X-Media

You are the voice behind all of my personal e-learning creations. When I am writing, I am hearing your voice. :) Scott Chisholm, ASM
